General Terms of Business for Tenants of Housing Space:

1. The HomeCompany informs the Customer about rental offers. Such information can be provided in writing or text form (email, telefax, postal letter) or by phone. In spite of all due care the HomeCompany cannot assume liability for the accuracy and integrity of such information. The evidence of apartments from the portfolio of HomeCompany is **free of charge** for tenants according to law §2 Abs. 1a WoVermG für Wohnraumsuchende.

2. The data of the rental object is confidential and is communicated to the Customer for his personal use. For the passing on of the data the consent of the HomeCompany is required.

3. The Customer must notify the HomeCompany immediately, if a tenancy agreement (oral/in writing) in regard to one of the communicated rental objects or with one of communicated lessors is concluded.

4. The data provided by the Customer are recorded according to data protection regulations, taxation and accounting duties and the jurisdiction of the German Federal Supreme Court in regard to the brokerage claim. The HomeCompany will not transfer or sell the data for advertising purposes. You can find further details concerning the topic data protection and the term of the data storage at [http:// datenschutz.homecompany.de](http://datenschutz.homecompany.de)
